

NFIC European Interventional Cardiology Fellows Course 2021

Diagnosis and Treatment of coronary, valvular and peripheral diseases

9 - 10 December 2021

in scientific cooperation with:

European Association of Percutaneous Cardiovascular Interventions (EAPCI ESC)

Course Directors:

Dariusz Dudek, President EAPCI ESC

Emanuele Barbato, President-Elect EAPCI ESC

Rui Teles, Training and Certification Committee

Radosław Parma, EAPCI ESC Training and Certification Committee

Eduardo Infante de Oliviera, EAPCI ESC New Initiatives For Young Interventionalists Committee

Eric Van Belle, EAPCI ESC International Affairs and National Working Group Networking Committee

Miłosz Jaguszewski, Past President, Club 30 of the Polish Cardiac Society

Session structure:

1 Chairman

5 speakers

Topic duration: 10 minutes

Topic management: 5 minutes presentation (7 slides)

5 minutes MCQs with voting (4 slides)

Session announcements:

E-mail campaign

Linkedin

Together with call for:

- registration to EAPCI
- registration to EAPCI exam
- subscription to EAPCI textbook

EAPCI textbook discount code specifically for the course participants may be requested from EUROPA group

9 December 2021 (Thursday)

Course introduction (20 min)

9:30-10:00

Chairman: Dariusz Dudek

	Topic	Speaker
1	Welcome and Course Objectives	Dariusz Dudek
2	IC Core Curriculum	Eric Van Belle
3	EAPCI Certification	Rui C Teles
4	EAPCI Certification Exam 2021	Radosław Parma

Foundations (60 min)

10:00-11:00

Chairman: Dabit Arzamendi

	Topic	Speaker
1	Vascular Access	Łukasz Rzeszutko
2	Vascular Closure	Israel Barbash
3	Cardiac Transseptal Catheterisation	Marek Grygier
4	Percutaneous ventricular assistance	Nicolas Van Mieghem
5	Pericardiocentesis	TBD

Diagnostic cardiovascular modalities (60 min)

11:00-12:00

Chairman: Paweł Kleczyński

	Topic	Speaker
1	Non-invasive coronary angiography	Azhar Khokhar
2	Invasive coronary angiography	Arif Khokhar
3	Invasive physiological assessment of coronary artery disease	Radosław Parma
4	Intravascular ultrasound	Paweł Kleczyński
5	Optical coherence tomography	Krzysztof Bryniarski

Interventions in coronary artery disease (60 min)

12:00-13:00

Chairman: Petr Kala

	Topic	Speaker
1	Guide catheters and wires	Łukasz Rzeszutko
2	Balloon angioplasty & drug-coated balloons	Piotr Buszman
3	Coronary artery stents	Elvin Kedhi
4	Distal protection and thrombectomy	Petr Kala
5	Rotational atherectomy	Zoltan Ruzsa

Lunch break 13:00-14:00

Interventions In coronary artery disease (60 min)

14:00-15:00

Chairman: Eduardo Oliveira

	Topic	Speaker
1	Bifurcation lesions	Maciej Lesiak
2	Ostial lesions	Nicolas Amabile
3	Left main coronary artery disease	Giuseppe de Luca
4	Chronic total occlusions	João Silveira
5	Spontaneous coronary artery dissections	Vijay Kunadian

Fellows Initiatives & Innovations in Interventional Cardiology (60 min)

15:00-16:00

Chairpersons: Dariusz Dudek, Eduardo Oliveira, Paweł Gąsior

	Topic	Speaker
1	MCH Fellows & GISE Young Journal Club	Arif Khokhar & Marco Toselli
2	EAPCI YOUNG SURVEY 2020-2021	Paweł Gąsior, Eduardo Oliveira
3	Scientific Platform of "Club 30" of Polish Cardiac Society	Miłosz Jaguszewski, Agnieszka Kapłon-Cieślicka
4	Robotic-PCI & Simulation	Rossella Ruggiero & Kailash Chandra

10 December 2021 (Friday)

Interventions In coronary artery disease (60 min)

10:00-11:00

Chairman: Rui C Teles

	Topic	Speaker
1	Interventions in CCS	Paweł Gąsior
2	Interventions in NSTEMI	Artur Dziewierz
3	Interventions in STEMI	Francesco Giannini
4	INOCA	Tomasso Gori
5	Cardiogenic shock	Alaide Chieffo

Interventions in valvular heart diseases (60 min)

11:00-12:00

Chairman: Eric Van Belle

	Topic	Speaker
1	Aortic valve valvuloplasty	Radosław Parma
2	Transcatheter Aortic Valve Implantation	Wojciech Wojakowski
3	Transcatheter mitral valve repair	Giulio Russo
4	Transcatheter Tricuspid valve replacement	Christian Besler
5	Transcatheter Tricuspid valve repair	Alessandro Sticchi

Exam questions for Structural Interventions

12:00-13:00

Chairman: Radoslaw Parma

e-MCQ

12:30-13:00

Chairman: Radoslaw Parma

Fellows Journal Club (30 min)

13:00-13:30
